PETITION FOR WITHDRAWAL FROM ISSUE
UNDER 37 C.F.R. § 1.313

Sir:

Pursuant to 37 C.F.R. § 1.313(a), applicants hereby petition to withdraw the
above-identified patent application from issue.

Applicants paid the issue fee on September 29, 2004. Applicant requests that
the application be withdrawn from issue to permit consideration of a Request for Amendment

After Allowance Under 37 C.F.R. § 1.312 ("Request for Amendment"), filed concurrently herewith.*

Applicants' attorneys inadvertently neglected to file the Request for Amendment, which they had already prepared and intended to file, concurrently with the September 29, 2004 payment of the Issue Fee. *See*, Request for Amendment, p. 10, first paragraph, last sentence, and final paragraph, last sentence.

Applicants' attorneys first learned that they had not filed the Request for Amendment late in the week of October 11, 2004, when reviewing the file in this case. They immediately called Examiner Baum, who, after checking with his supervisor, said he could not consider the Request for Amendment unless and until the case was withdrawn from issue. Hence, this Petition.

Applicants' attorneys do not believe that the filing of a continuing application is necessary or warranted in this situation. The Request includes new claims 48-51. Each of the added claims depends from already allowed claims. The added claims merely narrow the sequence identity recited in the independent claims. These amendments, therefore, do not add new matter and do not require any additional examination. Applicants' attorneys apologize for their oversight and respectfully request the entry of these claims prior to issuance of the patent.

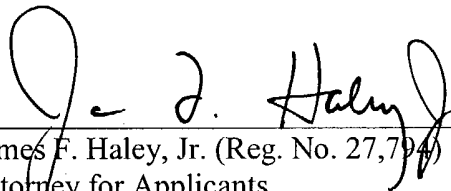

Nevertheless, if the Commissioner believes that a continuing application is required for the Request for Amendment to be considered and entered in this case, applicants stand ready to file that application immediately upon notification from the Commissioner.

* This is a true copy of the Request for Amendment, as prepared for filing on September 29, 2004. The only changes are a change in the date – to October 19, 2004 – and a change in the address – to Mail Stop 313(c).

In the accompanying Transmittal Letter (filed in duplicate herewith), a check in the amount of \$130.00, in payment of the fee set forth in 37 C.F.R. § 1.17(h) for consideration of this Petition. The Director is authorized to charge any additional fees required in connection with this Petition, or any of the papers filed herewith, or to credit any overpayment of same, to Deposit Account No. 06-1075.

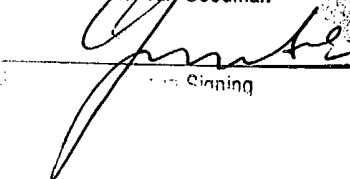

Accordingly, applicants request that this Rule 313(a) Petition be granted and the above-identified application be withdrawn from issue in order to allow consideration of the Request for Amendment (filed concurrently herewith).

Respectfully submitted,
